The time has come ... we are Seniors ... and now we can look back with pride upon the years that have so rapidly become a part of our past. We see ourselves as Freshmen ... knees trembling as we stand in the middle of the Student Center ... looking for classrooms, for friendships, and answers to our faithful questions. Worshipping the seniors, we looked forward to the day when we could attend an assembly and sit in those "honored" chairs in the Senior Section.

A year passes; we are sophomores. We now feel more at home and begin to realize that We are the Class of '87! Candy sales ... balloon sales ... making plans and dreaming.

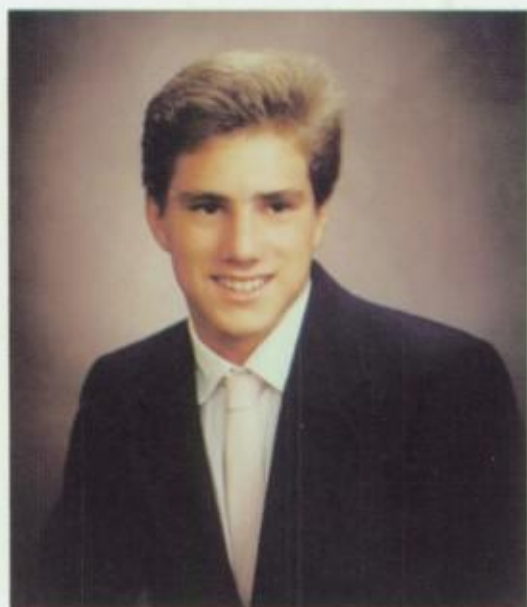

Our Junior year comes and our class star begins to sparkle. We are now a part of the Valhalla tradition; we are "upper classmen." We can laugh at freshmen dressed in silly costumes for the Culture Faire while we are properly dressed in real costumes in celebration of the Greek Festival. Our class treasury continues to grow as more and more people get involved in fund raisers; ice cream sales, sweetheart mes-

sages, Boo Notes, singing telegrams, and car washes. Our Junior year is filled with activities. Hypnotist and fashion shows, and a first ever Junior Prom. " '87 By The Sea" was truly a successful night to remember.

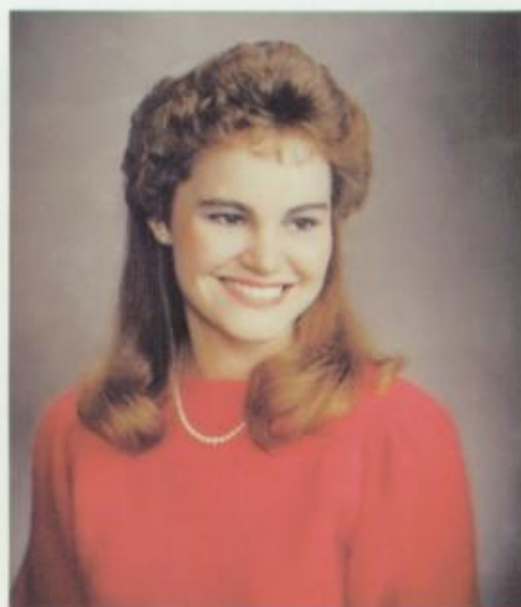

And now we are Seniors! We've had our fun filled Senior Banquet, we've chosen our class Standouts, and honored them with accolades. We have celebrated "Homecoming '86" with a "San Diego Celebration." We have competed for "Orange Pride Points" and yelled and cheered louder than any other class. Together we waited for the last weeks to arrive ... they came slowly ... yet became memories so quickly. The times we had long awaited for were suddenly here. Our Senior Prom, Baccalaureate, and Grad Night at Disneyland, — Each making us all feel so closely bound to our school ... and to each other. And then it came. COMMENCEMENT ... we donned our caps and gowns and proudly stepped forward, high over a mountain, taking our hopes and dreams into the future ... keeping only our spirit ... our pride ... and our fond memories of THE CLASS OF '87.

“THIS IS THE TIME”

“This is the time to remember because it will not last forever. These are the days to hold onto, because we won’t although we’ll want to. This is the time, the time is gonna change, you’ve given me the best of you, but now I need the rest of you . . . ”

— Billy Joel

87 Senior Standouts

The Class of '87 celebrated their Senior Banquet at the U.S. Grant Hotel. The Seniors enjoyed a fine dinner preceding the ceremony. Mr. Maas and Miss Joretta Wright were the Master of Ceremonies and were assisted by many other teachers in the presentation of the Senior Standouts. The dancing then began with music by Mid-City Productions. This was a fabulous night for the Class of '87, and it was truly a "Time to Remember."

CLASS OF '87

As I reflect on the past four years of the class of '87 you have been an outstanding group with many high academic achievements and an excellent record in athletic competition. This is due, in my judgment, to the dedication of the staff and community, and the outstanding spirit and enthusiasm of the class of '87. You have established a level of accomplishment during your four year period that will be very difficult to exceed by future classes.

Four years have come, and four years have gone. These years we will remember forever - a time of sharing, learning, and laughing . . . A time that will never come again.

For the past thirteen years, kindergarten through our Senior year, we have sought for our identities and have grown as well as watched those develop around us.

The tears we have shed, have caused our hearts to grow fonder. Forever in printed history and solid memory, those special moments shared by the Class of '87 will be remembered always.

"This is the time to remember . . . " — Billy Joel.

FIGHTING VALKYRIES

The Fighting Valkyries are an energetic support group for the football team. This year's club has been the largest (at nearly 50 members) and best yet! In the past, Fighting Valkyries has been limited to doing group activities but this season was changed to include a secret sister program, with great approval from both the club members and the players.

Valhalla's Homecoming of 1986 was held November 14, under the stars in a San Diego Celebration. Brad Leahy and Kellie Collins were crowned King and Queen by Laura Filoon, last year's Queen, and Rich Butler, Valhalla's first Homecoming King. The ceremony was topped off with a spectacular fireworks show, the greatest in Valhalla's history. The night was complete with a Norsemen win of 20-0 over El Cajon Valley High School:

JV CHEER

Determination, enthusiasm, and hard work are the three words which best describe this year's J.V. cheer squad. One might consider us different people in many ways, but despite our differences we learned to work together as one. The friendliness contributed by each girl on our squad was overwhelming. All of the memories from this past year will be cherished for the rest of our lives and our friendships will never be forgotten. We know we can speak for everyone when we say that there will never be a cheer squad with

as much cooperation and dedication as ours. Thanks to all of you for making us so happy by being so cooperative and understanding.

SPIRIT CLUB

They fill the stands
Dressed in vibrant orange,
Sparkling white and brilliant blue.
Their voices fill with pride
"We've got spirit,
How about you?
They're known to be
A little rowdy, and sometimes
Out of hand,
But they give the team
The lift they need
From far up in the stands.
Varsity cheer leads them
In the cheers they scream and shout
Pushing our Norsemen to VICTORY
That's what it's all about!!!

MAT MATES

The Mat Mates are chosen through their knowledge of wrestling and interviews held by current Mat Mate captains and Varsity wrestlers. Throughout the year Mat Mates are a continuous support group for the wrestling program. Their responsibilities consist of keeping statistics for the Varsity, J.V. and Freshman team, keeping score and notes for each match at Dual Meets and Tourneys, making posters, secret sister activities, and boosting the wrestlers' spirits. Also, this year the Valhalla Mat Mates successfully ran two very important tournaments. The El Cajon Varsity Invitational and the CIF 2-A Tournament. Along with all the wrestling activities the Mat Mates took part in various social gatherings such as ski trips, bar-b-ques, and after tournament parties.

WRESTLING QUEEN

Each year the varsity wrestlers vote for the Mat Mates they think should be their Wrestling Queen. This year they chose 4 candidates; Theresa Faulkenberry, Dana Fleming, Julie Kistrup and Laurie Nordquist. The J.V. team also chose 2 Mat Mate representatives to be acknowledged. By the end of the evening Laurie Nordquist was crowned queen with the traditional wrestling headgear signed by all of the varsity wrestlers.

This year the wrestling queen was crowned by our top scoring wrestlers Mark Gerardi and Scott Seubert in our new gym at our last home dual meet this season.

Near the beginning of the second semester, Valhalla became one of only a few schools in San Diego County to have their very own radio station. KVAL came over the airways in January and Valhalla students have been rocking out ever since. Brian Cross and Arnie Chazen head the line-up of over twenty D.J.'s to spin the sounds students want to hear. Tiffany Pearson heads the sports division and simi-pro weatherman, Darrel Martinsen, keeps us up to date on the daily weather. Thanks to dedicated people, like station creator, Molly McKay, KVAL's first year was a terrific success.

On February 21, 1987, Valhalla's traditional Sweetheart Dance celebration was held at the Hyatt Islandia in Mission Bay. The semi-formal gala included dancing, socializing and celebration. A festive Valentine theme was portrayed through decorations, and music was provided by the Incidentals.

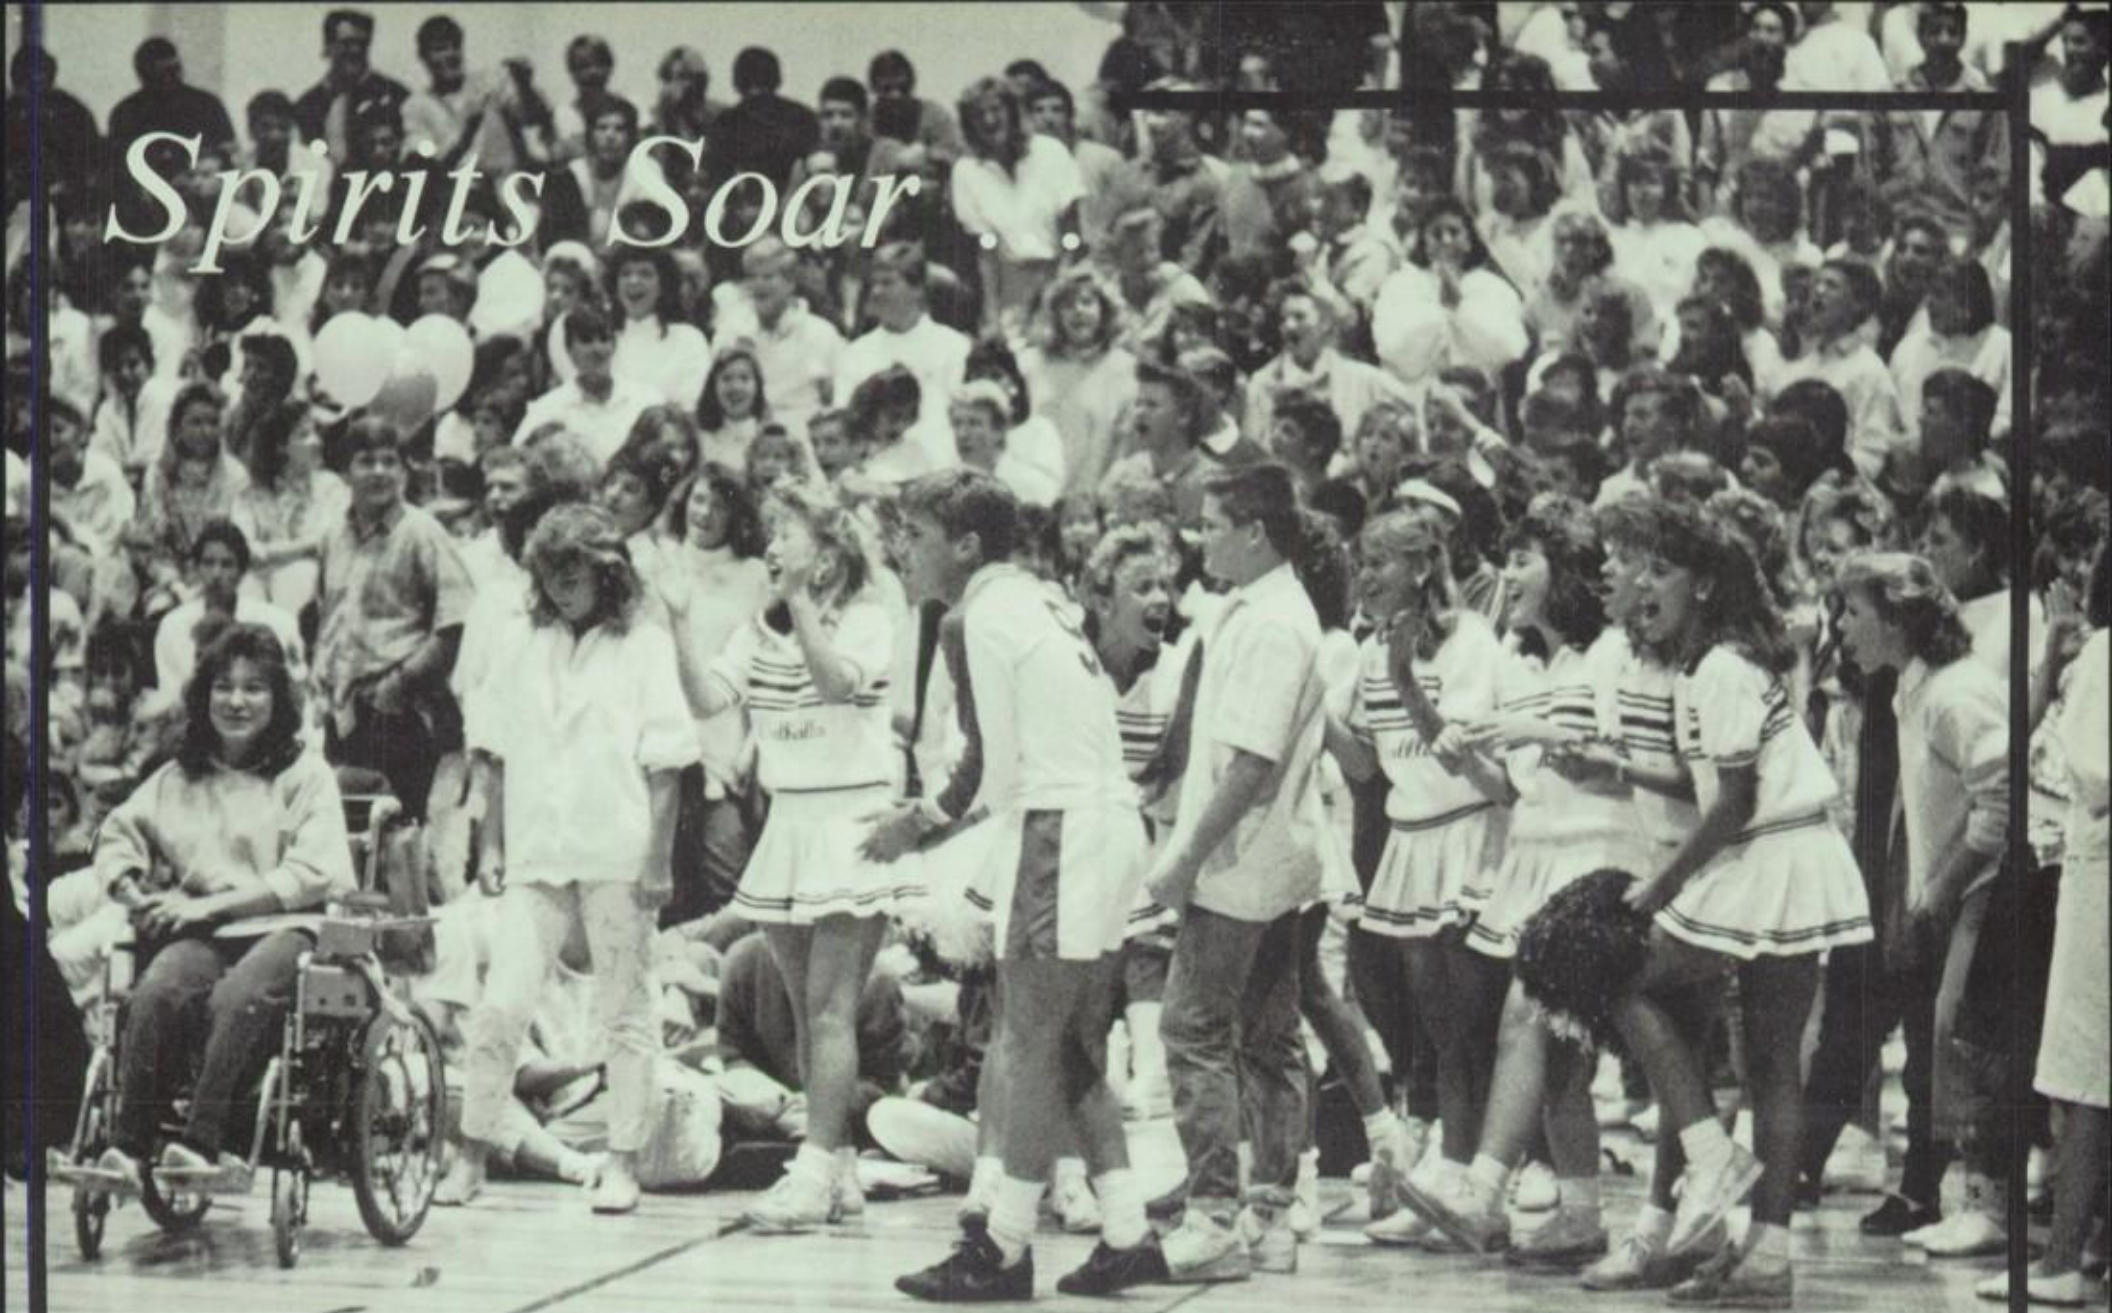

Happy Birthday to us!

On February 27, Valhalla celebrated its 13th birthday. The 1986-1987 school year brought with it a wave of change. New ideas from club Bazaar to K-Val to this years greatest thrill, the opening of our new gym, have made Valhalla's dreams a reality. Once again, Valhalla's sports programs were a spectacular success. There have been more outstanding athletes this year than ever before in our history. Although full of changes, this years traditional birthday celebration once again reminded us of Valhalla's past and encouraged a continuing progress.

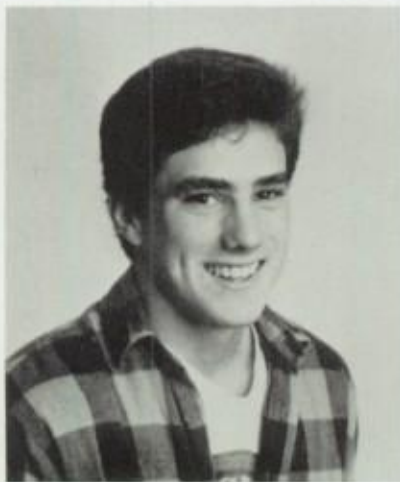

Spirits Soar ...

... in our new gym! "Orange Pride" reached new heights with the opening of our long awaited gym. Assemblies from Charles King, Spirit competitions, to Amber Lights, attracted the entire student body.

Led by Mark Strickland and the brother-sister Troiano duo, this year's Golf Club is unequalled. Returning players, Peter Sunderman and Andy Blee, add an element of quality that leads Coaches lavelli and Schimpf to confidence of a CIF berth.

BOY'S VOLLEYBALL CLUB

The Boy's Volleyball Club is a fairly new organization at Valhalla. Coached by Ric Lomibao, they participate in various matches and tournaments around the county. The club was created in 1985 by a group of seniors, and since then, the club has doubled in size. Many of the members are making an effort to have the club proclaimed a sport, and the enthusiasm level is constantly growing.

In it's second year, Valhalla's Key Club became one of the most active clubs in San Diego. The community oriented club participated in activities including the Muscular Dystrophy Telethon, Channel 8 Drug Awareness program and many other fundraisers having to do with Cystic Fybrois, Lukemia, Diabetes, Project Concern, numerous interclubs, and for the first time participated in the Key Club Convention. With the help of sponsoring Jamul Kawanis, the Key Club of 1986-1987 was a great success.

Jr. State is a very popular club amongst the students of Valhalla. Club members meet regularly to discuss and debate current world and local issues. Two of the most popular events of the year include Fall and Spring State. The intent of Jr. State is to encourage teens to get involved with the world around them while meeting other debate members from the Western United States.

BOYS & GIRL'S STATE

Joe Patrico

"Boys' State," the man had said, "will be the greatest experience of your life. You will never forget it."

A week later, as I prepared myself to leave, my eyes began to moisten. Where had the week gone? Was it Friday night already? I was leaving. All Northern Californian Delegates would leave tomorrow, my roommate, Brian among them. Our goodbye had been sad, as I departed from the best friend I had ever known. When I boarded the bus, I heard sobs from guys who didn't cry when Bambi's mother died. As we left, the bus was silent. I waved goodbye. We'd promised to write and never forget our friendship. I tried to sleep, it was late.

My mind was racing, recalling the week's activities. Assemblies, sporting events, elections, parties, faces and names raced through my restless mind. All my thoughts merged into one memory. The man from the American Legion had said, "You'll never forget." And I haven't.

Suzanne Pegas

"Girl's State was one of the best experiences I could have had. It gave me a taste of the life in politics I think I want to live. So many times we were told that we wouldn't be able to put our experiences into words, I for one am trying my best.

The Girl's State experience did change some of the views I held. Maybe it made me more tolerant. It made me realize that I don't want to be president, but I do want to change the world.

Walking into a group of people that know nothing about you gives you the opportunity to create a new you. But I think a lot of us learned that the old us was the best one. And I walked away wanting more, with tears in my eyes.

FROM MOM AND DAD

Dear John,
You are going to be a success, of that we have no doubt. Whether it will be on this planet, we aren't so sure. You're a veritable Renaissance Restriction Man. Your talents are many, but your greatest talent is the ability to always land on your feet. We love you, and take pride in your accomplishments.

Love,
Mom, Dad and Tiff

Dear Melody,
Finished at last! You've done a magnificent job taking full advantage of your opportunities at Valhalla. You've accumulated skills which will carry you forward in life. We are immensely proud of you and predict success in your future endeavors.

Love,
Mom and Dad

Dear Karre-Anne,
Our first born has grown up and is now graduating! We're all quite proud of you. We hope all that challenges you in life will continue to be met with your calming nature and kind heart. The years pass quickly, and you'll soon be making a life of your own. Remember we'll always be here for you. May the Lord bless you, Bink.

Love,
Mom, Dad and Kande-Anne

Dear Hank,
Congratulations on a job well done! Your personal and intellectual growth has been truly outstanding. Continue your high goals and high ideals. We love you and we will be two of the happiest and proudest parents at your graduation.

Love,
Mom and Dad

Dear Jon,
We had foolishly hoped you would have followed in the footsteps of your brothers and sister, instead you chose to go your own way and realize your own potential. Congratulations! Remember those who love you as you follow your dreams.

Love,
Mom, Dad, RJ, Juanita, and Mike

Dear Lori LeAnn,
Your "baby days" have quickly passed, much too soon for us. Now as you prepare for your first step out into the world, May you never feel alone; know that we'll always be here to help and give moral support. Take all your wonderful qualities: your gentleness, love, consideration for others, and your desire for success; blend carefully with the world outside; add the experience and knowledge you've yet to acquire and we're sure our wish for you for enjoyment of a life of accomplishment, sensitivity and love will be yours. We love you very much.

Mom and Dad

Dear Angela,
The best is yet to come. We are extremely proud of you.
Love,
Mom and Dad
